We're with you, On and off the field.

Buildcorp's Queensland team offers new build construction, refurbishment and base building upgrades, large scale corporate fit-outs and remedial solutions.

With over 31 years of lessons learnt, the evolution of our family owned business has differentiated us beyond what we do. How we support and collaborate with our partners and community matters to each of us.

This partnership mindset is behind our relationship with UQ that has spanned 12 rugby seasons and over 20 construction projects on campus.
