

# University of Queensland Queensland Players

The list has been compiled from Club records, lists from W.H.Bickley, Maroon – Highlights of 100 years of Rugby in Queensland, Ian Diehm, Red, Red, Red: The Story of Queensland Rugby and the Queensland Cap Project by Queensland Rugby Union. There are discrepancies in the records that the club hopes to resolve. The Queensland Rugby Union has allocated numbers based on the order that they have taken the field. Additionally, the club has allocated the player a number based their achievement of status is they were representing the club at the time. Included are players that the club believes that are uncapped awaiting further evidence to present to the Queensland Rugby Union. The list also includes players that played for the Queensland Rugby League when Rugby was dormant in Queensland from 1920-1929
