**UNIVERSITY OF QUEENSLAND
RUGBY FOOTBALL CLUB**

Buildcorp turns 30 this year and we are proud to have grown our construction business on a foundation of family values and collaborative partnerships. Our diverse and balanced teams operate across Australia's east coast to deliver a range of new build, fit-out and refurbishment construction projects.

Along with 20 construction projects on campus, Buildcorp's partnership with the University of Queensland has spanned 11 seasons as UQ Rugby's Major Sponsor.

We invest in pathway opportunities for men and women both in business as well as rugby, and this commitment is the reason you'll see our name backing both the Buildcorp Super W and Buildcorp Wallaroos.

For opportunities to work with (or for) our Queensland construction business please contact:
